TOURNAMENT GUIDELINES & RULES:

KATA: To be judged by Judo Alberta Kata Grading Board—If there are not enough entries for a specific kata, that kata may be done as an exhibition.

SHIAI: The Tournament Director reserves the right to make any changes in the best interest of the tournament and contestants. I.J.F. rules apply with the following exceptions:

Please note the following new rules for the U9, U11 & U13:

- Grip must be in the front of the judogi (traditional sleeve and lapel) unless attempting a hip technique.
- The following techniques will not be allowed in the U9, U11 and U13 divisions--kubinage and similar throws, leg grabbing techniques, tani otoshi, all drop down techniques which start on one or two knees (ie. drop seoinage), makikomi waza.
- Sutemi waza is prohibited for U9 & U11 BUT allowed in U13.
- Shime-waza and kansetsu waza is not permitted in U15 and younger.
- There will be no "Golden Score" for U15 and younger categories.
- Modified medical rules for U17 and younger; only 2 medical examinations allowed to continue competing; blood will be dealt with in the usual manner
- Arm locks are not permitted in U17 and younger
- The minimum rest period between matches shall be 5 minutes.
- Blue judogi is optional, but recommended. First name called must wear a white judogi.
- Judo Canada regulations as of the tournament date to be enforced.

FORMAT:

U9 & U11— In accordance with Judo Canada's Long Term Athlete Development Plan (LTADP), these divisions will be skill based. Competitors will be grouped by weight and will participate in a number of 2-minute running time randori bouts. Groupings of 2-5 athletes and a round robin draw format will be used. During these bouts an ippon will not end the match. Only in the case where one athlete dominates by 3 consecutive ippons, injury, or grave infraction of the rules will the match be suspended. One judge will officiate, but will not call conventional scores, as competitors will be allowed to fight as in randori. The judge will control the flow of the match calling matte when appropriate and advising competitors of prohibited acts. Ne waza will continue as long as there is progress. When osae waza is executed, it will be allowed until there is no apparent advance in escape by uke, at which time the judge will call 'matte' and resume in tachi waza randori.

U9 athletes—weight and gender may be combined depending on number in category.

U11 athletes may combine weights depending on numbers in category. Categories will only cover one weight category higher

Technical ability, willingness to compete and sportsmanship will evaluate the match. The technical assessment will not only include throw appreciation, but also osae waza, effective transition from tachi waza to ne waza, renraku waza, ability to destabilize and throw in different directions, utilization of different techniques, utilization of hando no kuzushi, as well as an evaluation of posture.

Any questions in this regard should be directed to Garry Yamashita at gee_why2@yahoo.com

West Edmonton Mall

West Edmonton Mall (WEM), located in Edmonton, Alberta, Canada is the largest shopping mall in North America and one of the largest in the world. It was the world's largest mall for a 23-year period from 1981 until 2004.

West Edmonton Mall is Alberta's number one tourist attraction and it's the only mall of its kind - both a shopper's dream and a world of excitement and adventure.

This amazing structure - often called the "8th Wonder of the World" - spans the equivalent of 48 city blocks in the prestigious west end of the City of Edmonton (metro population over 1,000,000), in the Province of Alberta, Canada.

The Mall covers a gross area of 570,000 square metres or 5.3 million ft and cost \$1.2 billion to build. There are over 800 stores, over 110 eating establishments, a casino, a hotel, plus eight

world class attractions, including the largest indoor amusement park in the world, and North America's largest indoor water park. For customer convenience, there is parking for more than 20,000 vehicles.

More than 23,000 people are employed daily at the property. The mall receives 28.2 million visitors per year and between 60,000 and 150,000 shoppers daily, depending on the day and season.

West Edmonton Mall has it all under one roof—a world class hotel, casinos, the widest variety of one-of-a-kind stores, fantastic attractions, spectacular games, restaurants to suit all tastes and great entertainment ensuring you and your family has a fun and relaxing experience.
