

JUDO BC CODE OF CONDUCT FOR PROVINCIAL TEAM PROGRAM PARENT(S)/GUARDIAN(S)

Parents are an integral part of the Provincial Team Program. Judo BC will endeavor to provide parent(s)/guardian(s) with resources to support their child in the program. In addition, Judo BC will uphold the policies in place, and continue to develop and revise policies to ensure that all team members may train and attend events and competitions in a safe and positive environment.

This code of conduct establishes the boundaries and guidelines that all Judo BC Provincial Team Member parent(s)/guardian(s), regardless of whether they are a practicing member of Judo BC, are expected to conduct themselves by.

This code adopts and accepts all the language contained in the BC Universal Code of Conduct.

Acceptance of your child's selection to the Provincial Team Program is an agreement to abide by this code of conduct, whether this code is signed or not.

Judo BC Provincial Team Program Parent(s)/Guardian(s) shall strive to:

- Treat everyone fairly within the context of their activity, regardless of gender, place of origin, color, sexual orientation, religion, political belief, or economic status.
- Maintain a positive atmosphere and safe environment.
- Treat other parents, volunteers, officials, athletes, and coaches with due respect and refrain from public criticism of them. When comment is necessary, direct the comments or criticism at performance rather than the individual. This includes not intimidating or permitting the intimidation of any individual, by word or action.
- Uphold and abide by the rules of judo and the spirit of such rules (IJF rules, particular event rules and the principles of judo).
- Refrain from the use of profane, insulting, harassing or otherwise offensive language in the conduct of your duties. Verbal or physical behaviors that constitute harassment or abuse are not acceptable.
- Parent(s)/Guardian(s) of team members shall not coach their child, or other team members, while at judo events unless they are selected by Judo BC or their club to coach at that event. Note: Only NCCP certified Dojo Instructors are eligible to be selected by Judo BC or clubs to coach at events.
- Handle all conflict in a timely manner and with dignity.
- Get permission from the team staff prior to taking their child away from the team at any time for any reason (i.e., taking the child to a medical clinic or giving them a ride to the hotel from the tournament site) when traveling as a member of Team BC.
- Refrain from attending any judo events (clinics, tournaments, practices, etc.) under the influence of alcohol or drugs. Never advocate or condone the use of drugs or other banned performance enhancing substances.
